“David Winter Joins Midwest Division May 2007”

GVNW Consulting, Inc. is pleased to announce that beginning May 1, 2007, David G. Winter will be joining the company and will serve as Senior Consultant for the Midwest Division. Dave brings more than 28 years of regulatory background including Regulatory Litigation, Advocacy Skills, Negotiations, and Legislative Affairs experience. Prior to joining GVNW, Dave worked for the Missouri Public Service Commission, serving in a variety of positions culminating with Regulatory Auditing Manager. While with the PSC, Dave led the team that implemented the Missouri Universal Service Fund and he was an influential advisor to the state of Missouri’s Universal Service Fund Board. He also was a liaison and lead negotiator with the Department of Justice, Federal Bureau of Investigation and federal regulators on a variety of sensitive regulatory issues. Earlier in his career, Dave worked for a CPA firm in Jefferson City, MO and served as a lieutenant in the United States Army. He is a Licensed Certified Public Accountant and Certified Internal Auditor. After May 1, Dave can be reached at 719-594-5800, or dwinter@gvnw.com.

GVNW Consulting, Inc. is a professional consulting firm focused on assisting rural telecommunications providers with regulatory, technical, financial, marketing and operating consulting services.
